<b>IN SALVADOR, BAHIA</b>				<b>IN BELO HORIZONTE AT CRUZEIRO</b>		

**OVERVIEW**

The Colorado College Men's Soccer Team will depart the US on May 25 and will fly to the beach town of Salvador, Bahia. In Salvador the team will stay at a hotel within 50 mts of the beach and will train everyday with the Brazilian club E.C. Vittoria. E.C. Vittoria is a first division professional club based in Salvador with a beautiful training facility at their stadium, which is 15 minutes from the hotel. The team will train twice a day and will have ample time in the afternoons and evenings to spend on the beach and visiting the many tourist attractions that Salvador has to offer. CC will play 2-3 matches against local teams, which will provide a great test for the team against skilled Brazilian opposition.

After 7 days in Salvador, the team will travel to Belo Horizonte in the state of Minas Gerais. The CC players and coaches will live and train at the facility of Cruzeiro Esporte Clube. Cruzeiro is one of the top professional teams in Brazil and their development facility can be credited with such Brazilian soccer stars as Renaldo, Rivaldo, Dida, and Alex. Players will receive 4 meals per day, 2 soccer training sessions, as well as various other activities and excursions. CC will play 3-4 friendly matches against local teams from both the Cruzeiro system and other local soccer clubs. During the week in Belo Horizonte, the group will attend at least 2 professional matches at the 100,000 person Minerao Stadium, one of the most famous soccer sites in Brazil. The team will also travel to the historic city of Ouro Preto which is a mining town that dates back to the 1600's.

Colorado College Men's Soccer will spend time in each city working on a community service initiative called the Favela project. The Favela project is a community service program that is dedicated to using the game of soccer to help improve the lives of some of the poorest Brazilian children. The group will host soccer clinics and will give away apparel, equipment, and other items to some of the poorest kids in Brazil.
